

SURVEY

(Please complete and return to mfiure@co.ocean.nj.us)

1. What is the primary operating radio frequency band (VHF, UHF, UHF-T, 7/800) for your:
 - a. Police Department – **UHF-7**
 - b. Fire Department - **UHF**
 - c. EMS

2. What is your migration plan once the 500MHz Trunked Radio System is decommissioned by Federal Regulation in 2021? – **The Borough would hope to continue to be dispatched by the county utilizing Point Beach radio channels that we are currently on. Our back up plan is to return to the County utilizing our old PD-north channel**

3. Do you currently own or plan to purchase radios capable of operating on the County's new p25 700 MHz Trunked Radio System? **We currently have a mix of equipment new and old. We currently need to replace 10 portable radios and 3 mobiles radios, all new purchases will be and have been with the new p25 700 system in mind.**

4. Do you currently own or plan to purchase radios capable of AES Encryption? **Yes, All new and recently purchased radios are capable.**

5. DO you have a need to have interoperable radio communication with State agencies? **Yes, that would be preferred.**
