Hilariously we receive NO support from rehab centers. I wish we did. I'd wear that badge proudly.

I don't usually click on headynj links since they have stalked me and are not journalists.

Hilariously we receive NO support from rehab centers. I wish we did. I'd wear that badge proudly.

I don't usually click on headynj links since they have stalked me and are not journalists.

Steve;

I am so sorry to hear this. First, you have been a strong and articulate advocate against legalizing recreational marijuana and I also know that being such a recognizable figure on the subject created certain hardship issues for you, as well. So, I want to personally thank you for all that you did and let you know that I am very glad that I had the opportunity to work alongside with you on this issue. I hope we have another opportunity to work together.

Thank you and please feel free to reach out to me should you feel that I could be of assistance to you.

Yours truly,

Good morning Steve and Grace;

Just catching up and inquiring whether a public posting/press release in conjunction with the upcoming Cannabis convention on March 10<sup>th</sup> might be forthcoming? The event seems to be getting some play on social media and by certain media outlets and I thought this might be an opportunity for a counter view on the subject. If so, please feel free to reach out if you feel that I or the NJSACOP would be of assistance.

Thank you,
